Shifting to the New Reality... Building Change Resilience During Uncertain Times.

Linda Edgecombe

Linda's humorous life experiences and activities will have you laughing out loud while you move to 'accountable thinking'. In this upbeat, highly interactive session, Linda will explore various aspects of what it means to be a leader today, the realities of our times and how we can become 'change resilient' in an ever changing environment. Here's your chance to Unleash your Leadership Potential! LEADING Change Ready Cultures has never been this painless!

Session Information

Courageous Dialogue: Turning Confrontation to Conversation Charmaine Hammond

Dealing with people can often be the most challenging aspect of work and being on teams. The reality is that we don't always see eye to eye with everyone and dealing with difficult situations and behaviors can be uncomfortable. Join Charmaine as she introduces tools for courageous dialogue and steps for turning confrontation to conversation.

Tattered Teddies Kevin Hodgson

Suicidal behavior in children age 12 or younger is a subject of growing concern for those who work with children. Suicidal thoughts and attempts in children have sometimes been overlooked, denied or ignored. This workshop will provide an overview of risk and protective factors, communication strategies and intervention approaches for children at risk of suicide.

Situational Awareness Training J.T. Tactical Defensive Arts LTD

This seminar will inform and influence the method in which you view and understand your environment, react and anticipate human behavior and make decisions in not only high risk homes but in every day life. In the 90 minute seminar participants will learn to understand and apply situational awareness in a family support work environment and gain an appreciation of what it means to be situationally aware.

Children with Challenging Behaviours:

What are the risks factors and protective factors? What Strategies work?

Priscilla Asamoah

This workshop will provide Teachers, Home Visitors and Early Childhood Educators with strategies to manage challenging behaviours such children refusing to follow rules at home and in child centers, aggressiveness, ongoing tantrums, and acting out behaviours.
